Week 21 August 2-8

Challenge

This week, we are starting the new virtual programming schedule. We are challenging each person/home to engage in our new sessions. There are 20 session weekly/4 per day along with the virtual dance party on Friday nights and the Bingo event on Saturday nights.

I am giving you a challenge...attend 11 sessions during the week (dance party and bingo event count). Send me the list of sessions and your address/# of people in the home/residence. (we can also see the participation through our zoom counts) and I will send you a surprise in the mail.

We would love for you to check out our new programming. It is pretty amazing.
